SURNAME INDEX TO VITAL RECORDS IN

THE ALBUQUERQUE MORNING JOURNAL – 1920

INTRODUCTION:

The format for this index was developed to cover the major vital records that normally appear in the newspaper – births, marriages, deaths, and anniversaries. This is an index to the principals in the article and covers only those persons of either New Mexico origin or who participated in one of these events in New Mexico. In other words, an accident occurring in Texas or New York would be indexed **ONLY** for those persons of New Mexico origin or residence. A marriage of a Texan and a Kansan, married in New Mexico and reported in the newspaper, **WOULD** be indexed here. The Albuquerque Journal contains a great deal of information about events all over the state of New Mexico since it is the largest newspaper in the state. This index can be useful for many events that occurred outside of Albuquerque. Be alert when researching as often a subject appeared in more than one article on a page. We attempted to show that by using “(x2)” to indicate “two times on that page”.

At this time the Rio Grande Library System has the Albuquerque Daily Citizen, the Albuquerque Democrat, The Albuquerque Morning Journal the Albuquerque Journal and the Albuquerque Tribune available on microfilm for approximately 1882 to the present. Some early issues are missing. The Genealogy Club of Albuquerque is planning to index the Albuquerque Daily Citizen from 1888 to 1900 with a full surname index of every person from New Mexico or connected with someone in New Mexico. From 1920 to 1959, the plan is to index only the vital record information appearing in the Albuquerque Morning Journal or the successor Albuquerque Journal. From 1960 to the current date the plan is to index only the obituaries appearing in the Albuquerque Journal.

Microfilm of the Albuquerque Daily Citizen to approximately 1902 is found at the Special Collections Branch and some scattered issues at the University of New Mexico Library. Microfilm of the Morning Journal and successor newspapers may be found at the Albuquerque Main Library and the Wyoming Branch Library after 1955. Microfilm copies of the articles from the newspapers indexed may be obtained from the Genealogy Club of Albuquerque.
